guests of Mr. and Mrs. Edd Ken-

irick during the week end. **Good News** For Folks Who

Suffer From STOMACH BAS SOUR FOOD TASTE ACID INDIGESTION

Do you feel bloated and miserable after every meal, taste sour, bitter food? If so, here is how you may get blessed relief from this nervous distress.

Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restless sleep, weakness.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red-blood you should eat better, sleep better, feel better, work better, play better.

Avold punishing yourself with overdoses of soda and other alkalizers to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait! Join the host of happy people SSS Tonic has helped.

Millions of bottles sold. Get a bottle of SSS Tonic helps Build Sturdy Health.

Member County Board Of Education For 18 Years Reprint from Enterprise Ledger James Oscar English migrated to Troy during the Elba flood of 1929. When he came back, he found two drowned mules and three cows in his store and a business that was 'all washed up.' Most of the furnishings in his home were ruined also, but an unusual thing happened. When the English's had left for

livlihood he turned to selling those sleek new Fords which dress design. After careful planning, each girl chose material and patterns for her dress to be made by her in class. Some girls are making tailored wool dress
